Spring is with us, the jasmine is starting to bloom, buds are appearing and pollen fills the air. April is close at hand.

Let's look back on the month of March. We celebrated birthdays, date nights, family vacations and a mommy and me day. We had a family and friends night out. We had visitors from Hilton Head and we travelled to Fripp Island for a fun filled night.

Hite Family vacation!

A family vacation on Hilton Head Island and they traveled to Beaufort to come to Southern Palette Art Studio! We had so much fun!

Kara Byrd had a paint party at her Fripp Island vacation house, The Byrd Nest. They all painted a painting we call 'Footprints in the Sand' where they actually painted each other's feet and placed them on the canvases. There was a lot of laughter and fun with this group and in particular, this painting!

Happy Birthday to: Laurie, Jasmyn, Alexis, Claudette, Kelly, and Heather. The last three had birthdays in October, but were finally able to celebrate together in March.

We had 2 very special nights: An Evening in Tuscany and a fund raising night for The Helianthus Project.

*A Night of Food, Wine and Art in Tuscany!*

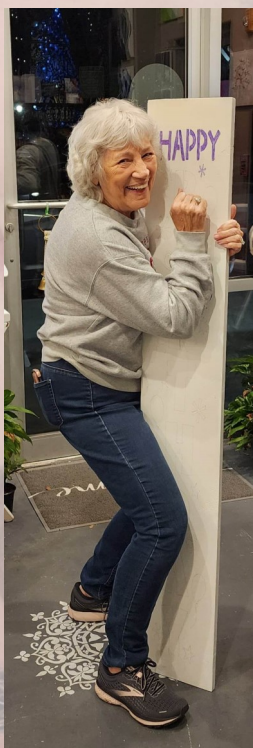

**The Helianthus Project**  
**Fund Raising night for Victims of Human Trafficking**

We had a fun time making porch signs with Lori, Lauren, Sara, Pamela, Lisa, Mona, Connie and Bonnie! Look for these signs on porches as you're driving around Beaufort !

Debra and Josh were finally able have their date night with us ❤️

Officer Palmer stopped by, on patrol, to check on the studio and to grab some snacks from mom's, not so secret snack drawer.

And many, many other fun filled nights in March!

So what is happening in April!
